## Tissue Supported Two-sided Repositionable Adhesive Tape

### Description

Two-side coated, tissue supported repositionable adhesive tape. Useful as a mounting material for scrapbooks, temporary affixing of paper-to-paper materials.

The adhesive coatings are removable from most surfaces without leaving residue or developing a permanent bond. End-uses should always be tested thoroughly before final application.

### Average Adhesive Strength

Standard Lab Panel:	0.8oz/inch
High Rag Content Paper:	1.5oz/inch
60# Offset Paper:	2.0oz/inch

### Construction

Microsphere Adhesive	
8 ounce Paper Tissue	
Microsphere Adhesive	
C2S Silicone Release Liner	

As with any removable/repositionable adhesive labelstock, it is the responsibility of the user to test the adhesive against the intended surface for compatibility and functionality.
