STIKWITHIT®

Bright White 3.5ml Vinyl Film

A break through in making stuff stick!

Removable! Repositionable! No Residue!

- ✓ Print-receptive digital ink coating. Certified for use on HP Indigo™
- ✓ Ultra-repositionable adhesive allows for easy positioning and removal with no residue
- ✓ Static resistant backcoating on liner reduces feeding and stacking problems
- ✓ Polycoated craft liner for good layflat and feeding through digital presses
- ✓ Standard Sheet Size 12 x 18". Other sizes available
- ✓ Great for die-cut stickers and bumper stickers. Stick anywhere, inside and out. Stick on multiple surfaces - cars, walls, doors, windows.

An excellent substrate for wall graphics, these poster-sized sheets have multiple applications. Ideal for advertising, healthcare, education, temporary signage, announcements, schedules, travel promotions, point-of-purchase displays and much more!
